

**Tips & Techniques from Symantec Engineers**

- Rotate crops to avoid soil depletion.
- Yogurt is a low calorie substitute for sour cream.
- Pump your brakes to stop on icy roads.
- Let your faucets drip on cold nights so your pipes don't freeze.
- Brush and floss at least twice a day.
- Buy low, sell high.
- Don't write directly to the screen, the ink will never come off.
- Don't run with scissors.
- Nail polish will stop a run.
- Don't make that face or it will stay that way.
- Change your oil every 3 months or 3000 miles.
- Take a bath or shower weekly, whether you need it or not.
- Don't sit too close to the TV.
- Use club soda to get out stains.
- Turn in the direction of the skid.
- Use newspaper to clean windows and mirrors without streaking.
- Use cream of tartar and baking soda as a substitute for baking powder.
- Don't throw water on a grease fire.
- Dip your matches in wax so they work even if they get wet.
- Use the smallest F-stop for maximum depth of field.
- Don't look directly at the sun during an eclipse.
- Reapply sunscreen after swimming.
- Wait half an hour after eating before going in the water.
- In an emergency, your seat cushion may be used as a flotation device.
- Add more water for thinner oatmeal, and less for thicker oatmeal.
- Don't hold your breath when you sneeze or your head will explode.
- Don't eat ice cream too fast or you'll get a headache.
- Take two aspirin and drink a glass of water to prevent a hangover.

- Don't shout "FIRE!" in a crowded theater.
- Stay in your car in an electrical storm.
- Joking about bombs or guns at the baggage check-in is a federal offense.
- Wear orange during hunting season.
- Curb your dog.
- Use tea bags to reduce puffiness around the eyes.
- Dump your fuel before making a crash landing.
- A full tank of gas prevents rusting and freezing during winter months.
- An Apple a day keeps the doctor away.
- Don't lick frozen metal pipes.
- Wear a hat: 90% of your body heat is lost through your head.
- Underwear can be worn for a second day if you turn it inside out.
- Don't put your cat in the microwave to dry it off.
- Put gummy bears in water for three days for great party treats.
- Lock your handles if you expect to be gone for more than 20 minutes.
- Always pack your own parachute.
- Don't point your camera at soldiers with guns in a third world country.
- NP-complete does not stand for "not possible".
- Olive oil, garlic, basil, tomato sauce and a tomato make good pizza sauce.
- Shake the toner cartridge to make it last longer.
- Plead insanity.
- Cut up six-pack rings so small sea animals don't get caught in them.
- Don't read in the dark.
- Small pebbles, marshmallows and Baby Ruth bars float.
- Don't believe everything you read.

...and remember

**No matter where you go, there you are.**
